

Invitation

Outcome MEPC 72

Monday, 23rd April, 2018

Maritimes Kompetenzzentrum
Bergmannstraße 36, 26789 Leer

The Marine Environment Protection Committee (MEPC) will hold its 72nd session from 9-13th April. In order to present you the latest news and outcome from the session, we invited Dietrich Dabels, American Bureau of Shipping (ABS) as a speaker.

Topics of the seminar will be the reduction of greenhouse gas emissions from ships, implementation of sulphur 2020 limit, ballast water management treaty implementation including a brief update “what’s going on in the USA” and measures to reduce risks of use and carriage of heavy fuel oil as fuel by ships in Arctic.

Program

16:00 Welcome & Registration

16:30 Overview of MEPC 72- including summary of key developments and actions
Dietrich Dabels, ABS

17:45 Question & Answer Session

18:00 Networking & Snacks
